

METSONIC ENGINEERS PVT. LTD.

(AN ISO 9001 : 2015 CERTIFIED COMPANY)

63, Ishaq Colony, Opp. Ghanshyam Super Market
Wellington Road, Secunderabad – 500 015
Tele/fax : +91 40 27840585, Mob : 94901 67005
e-Mail : metsonic.engineers@gmail.com
website : www.metsonic.com

Dear Sir/Madam,

Sub : List of Material Testing Equipment and other items supplied by us

We are happy to inform you that we are dealing with various Material Quality Testing Equipment and other related items required for industrial laboratories. At present we are dealing with the following items:

A) METALLOGRAPHIC TESTING EQUIPMENT

- 1) Metallurgical Microscopes : Monocular, Binocular, Trinocular, Inverted type with Colour Image Capture System & Computer Imaging Systems, Image Analysers
- 2) Metallurgical Polishing Machines : Single Disc, Double Disc, Triple Disc and Automatic Computer Controlled Polishing Machines
- 3) In-situ Metallography kit (for field Metallography)
- 4) Belt Polisher : Dry type, Wet & Dry type
- 5) Specimen Mounting Press : Mechanical, Hydraulic and Pneumatic Automatic types
- 6) Cut-off Machines : Abrasive Wheel types, Diamond Wheel types, Thin Sectioning types
- 7) Electrolytic Polishing-cum-Etching Machines

B) NON-DESTRUCTIVE TESTING EQUIPMENT

- 1) Ultrasonic Flaw Detector : Portable, Recordable Palm Top type and Multichannel Microprocessor Controlled and Immersion Testing Systems
- 2) Ultrasonic Thickness Gauge : Hand-held type, Through Coat type, Portable Micro-Processor based type and Coating Thickness Gauges etc.
- 3) Magnetic Crack Detector : Yoke type, Prod type, Bench type stationery units and De-magnetisers
- 4) Portable X-Ray Systems
- 5) Dye Penetrant Chemicals : Ordinary Visual type, Fluorescent type, Automated Systems etc.
- 6) Blacklight Lamps, Test Panels, UV Bulbs, Gauz Meters and all other spares & accessories

C) PHYSICAL TESTING EQUIPMENT

- 1) Universal Testing Machines : Mechanical and Computer Controlled with Electronic Extensometer
- 2) Izod Impact Testing Machines
- 3) Hardness Testers : Brinell, Rockwell, Vickers, Micro
- 4) Portable Hardness Testers : Poldi, Pin-Brino, Dynamic, Universal Metal Hardness etc
- 5) Rubber/Plastic Hardness Testers : Shore A, Shore D, Foam Durometers etc
- 6) Spring Testing Machines
- 7) Fatigue Testing Machines
- 8) Compression Testing Machines
- 9) Dynamic Balancing Machines

D) CHEMICAL TESTING EQUIPMENT

- 1) Optical Emission Spectrometer, Lab Model & Portable XRF Positive Material Identification (PMI) etc.
- 2) Carbon & Sulphur Apparatus
- 3) Muffle Furnace
- 4) Hot Plate
- 5) Electric Ovens
- 6) Water Still
- 7) Fume Chambers etc
- 8) High Accuracy Weighing Balance : Digital, Single Pan Analytical etc

E) FOUNDRY MACHINERY/EQUIPMENT

- 1) Moulding Machines, Sand Muller, Intensive Mixer, Sand Siever etc
- 2) Centrifugal Liner Set, Electrical Core Oven, Sand Blasting Machine, Cupola Charger etc
- 3) Snagging Grinder, Swing Frame Grinder, Tumbling Barrel, Sand Aerator etc
- 4) Complete Foundry Equipment for Green Sand and Shell Sand
- 5) Complete range of Foundry Sand Testing Equipment

F) ULTRASONIC MACHINES

- 1) Ultrasonic Cleaners : Portable as well as systems
- 2) Ultrasonic Plastic Welding Machines & Metal Welding Machines
- 3) Ultrasonic Processors
- 4) Ultrasonic Pest Repellers
- 5) Ultrasonic Concrete Testers

G) CONSUMABLES

- 1) Lavigated Polishing Alumina : Grade-I, Grade-II, Grade-III (in water suspension), Grade-A, Grade-B, Grade-C (in powder form)
- 2) Diamond Lapping Compound – All micron sizes
- 3) Polishing Clothes : Selvyt, Duro, Velvet, Nylon, Micro etc (Indigenous & Imported)
- 4) Polishing Papers : 1/0, 2/0, 3/0, 4/0 (Indian) & 240, 500, 1000, 1500, 2000, 3000, 4000 (Imported)
- 5) Silicon Carbide Waterproof Papers of all Grits, Emery Cloth Belts of all Grits
- 6) Standard Test Blocks, Diamond Indenters, Ball Indenters (for Hardness Testing Machines), Poldi Test Bars
- 7) Magnetic Powders, Pastes, Magnetic Inks (for visual & fluorescent applications)
- 8) Ultrasonic Probes, Cables and all Test Blocks
- 9) Anti Spatter Spray & Gel, Silicon Mould Release Spray, Rust Remover

We would request you to kindly register our Company's name as an approved supplier and send your enquiries to us for the items required by you.

We assure you that we will provide prompt pre-sale as well as after-sales services.

Thanking you and assuring you of our best services with a commitment to best quality.

Yours faithfully,
for METSONIC ENGINEERS PVT. LTD.

(P. MOHAN)
Managing Director
